

## Aviation Safety Team - You and the FAA

The purpose of this presentation is to provide a high level overview of the FAA Compliance Philosophy. We will cover what the Compliance Philosophy is, why it was adopted and how the program is administered. We will also cover the Remedial Training Program and how the FAASTeam interacts with airmen or organizations who have accepted Remedial Training as a mitigating 'fix' to a regulatory deviation.

**Directions:** See attached map.

### A message from the National FAASTeam Manager
